Human Resources Management

Picasso HR

Who are they?

Based in Henley, Ipswich, Picasso HR are a high quality, trusted Human Resource management business. Established in 2000, the company has grown from strength to strength, leading them to move into new premises in 2013. As an organization, Picasso HR believe in providing exceptional service at competitive rates and believe they do this by having the right attitude combined with an excellent knowledge of business, HR practices and employment law.

What are they doing?

Picasso HR provide a full range of Human Resources services to their clients, from internet products to employment practices liability insurance. In 2008, they achieved ISO9001 quality accreditation; a great recognition which is a testament to what they do and how they deliver.

How is superfast broadband making a difference?

Over the past few years, there has been a significant shift in the way businesses communicate, moving away from using just the telephone and incorporating a mix of both telephone and digital services. Having superfast broadband means that the team at Picasso HR are able to contact or be contacted by clients at any time, both in and out of office, at a quick speed. The company also have plans to host all of their services online in the cloud, meaning that a superfast broadband connection will be more valued than ever.

What do they think?

“Broadband is such an important part of our daily life that, without it, we would find it nearly impossible to operate. From routing our calls using VOIP to being able to quickly research specific issues, being connected allows us to offer a better, more proactive service to our clients.”
